Just listed! Looking for an end unit? This unit is the expanded Broadmore end unit. And it's at the end of the Street so there is additional parking. No need for a paragraph of fluff for this house, it's all here, just the facts. Create your own story when you tour it. Take note that this large kitchen also includes an island and side bar. The deck off the slider has just been rebuilt by the HOA about 8 months ago. HOA also covers lawn maintenance, snow removal & the roof. Now here's what's real comforting, the heater a/c is roughly 6 months old, the water heater is a little over a year, and the refrigerator is about a year old too. Compare pricing and you'll like that too. There is one negative, we can only have one buyer, so set your appointment right away. Come to our Open House on Sunday. Routes include 130, 295, Turnpike, 73 and the Cinnaminson Station Platform off the Jersey Transit Riverline. The Tacony Palmyra Bridge to Philadelphia is a stone's throw away, well it's really close.
